**HISTORY/FACTS/ISSUES:**

On November 20, 2012, the County received an application from Grant & Dzuro, on behalf of The Villages of Lake-Sumter Inc., for a non-substantive modification to The Villages of Sumter Development of Regional Impact (DRI) Development Order and The Tri-County Villages DRI Development Order. This application is submitted pursuant to Section 380.06(19)(e)2, Florida Statutes.

The requested modification is identical for each development order. The current development orders provide for a solid waste collection franchise. The proposed amendments extend the franchise through the year 2043.

The Board is requested to approve the attached Resolutions to adopt the 7<sup>th</sup> Amendment to the 2<sup>nd</sup> Amended and Restated Development Order for The Villages of Sumter DRI and the 11<sup>th</sup> Amendment to the Development Order for The Tri-County Villages.
